

BIOFLOW

AN ORGANIC WETTER AND PLANT STIMULANT

Natural plant extract contains surface tension breaking saponins. Improves water spread and penetration, and alleviates stress conditions. Additionally acts as a natural biostimulant increasing the biological activity in the soil and stimulating plant growth.

HEALTH AND SAFETY Handle all packages and containers carefully to minimise spills. See safety data sheet for full details on handling, storage, transportation and disposal.

STORAGE, DISPOSAL, AND TRANSPORT

Store in tightly-closed, original container in a dry, cool and well-ventilated place. Keep away from heat, sparks and open flame.

Protect from freezing and direct sunlight.

HANDLING Wear eye protection, protective gloves and appropriate clothing to prevent any possibility of skin contact.

DISPOSAL As outlined on Safety Data Sheet.

APPLICATION See technical data sheet for crop specific protocols and dose rates. No known incompatibilities, but Biotechnica cannot predict or guarantee mix success for any product.
